

GAME OFFICIALS WORK RULES

"ONE TEAM WORKING TOGETHER"

The function of an official is to enforce the rules as written using judgement and common sense. The teams will keep the game clean as long as the officials keep the game fair. Sportsmanship is the number one priority for our CP2P league.

- Game Officials will follow direct protocol predicated through the CP2P Officials' Manual.
- Game Officials will check in no later than 15 minutes prior to their scheduled start with the Coordinator of Officials at the designated area.
- Game Officials shall be in full uniform as designated by the officials' manual.
- **Game Officials shall conduct a pre-game meeting to discuss specifics as detailed per the official's manual.**
- Game Officials shall follow the Game Fee Rain Policy per officials' manual.
- Game Officials shall be **paid within 24 hours** after services have been rendered and all scorecards have been completed and submitted properly to either League Commissioner or Coordinator of Officials.
- Game Officials shall comply with the fine schedule as provided in the officials' manual.
- Game Officials shall comply with all new association league seasonal dues.

COACHES WILL NOT CALL ALL THE RIGHT PLAYS; OFFICIALS WILL NOT ALWAYS MAKE THE RIGHT CALL; LEAGUE ADMIN WILL NOT ALWAYS MAKE THE RIGHT DECISION... THIS IS WHY WE PLAY THE GAME! IF WE WERE ALL PERFECT, THERE WOULD BE NO REASON TO PLAY THE GAME!

Let us work as one team to promote our kids at every level possible.
One League – One Goal!
